### Ultimate Safari Experience: Kruger Park

One of the most famous and largest nature reserves in the world is the Kruger National Park in South Africa. The Kruger Park offers a unique opportunity to see the Big Five (lion, leopard, elephant, buffalo and rhino) close-up in their own environment. The Kruger Park covers 1,948,528 acres and is half the size of the Netherlands.

**HIGHEST**

**MOUNTAINS**

Dear friends,

I am in South Africa. I love  
my new school. My new friends  
are very nice. I am learning a lot about  
South Africa. There are deserts,  
mountains and national parks here.  
This weekend I am going to Table  
Mountain with my parents. It is a  
beautiful mountain near the ocean.  
We can go hiking there. It takes six  
hours to walk up the mountain. It is one of the  
highest peaks in Cape Town.

When are you coming to visit me?

Miss you,

Beca
